

Courier Bags & Packing List

Courier Bags are used by Courier, Parcel and Freight companies for the secure movement of their client's documents and consignments. They are made from co extruded opaque polyethylene film, with a flap which has a hot melt adhesive strip for easy & permanent closure. It has a transparent pocket for the airway bill.

The Courier bags can be personalized to the client's specification or are available Plain (No Print). Customized sizes and features are available as per the demand.

Available Sizes:

- A4 Size 225mm(W) x 330mm(H) + 40mm(Flap)
- A3 Size 305mm(W) x 415mm(H) + 40mm(Flap)
- B2 Size 380mm(W) x 490mm(H) + 40mm(Flap)

Packing list envelopes are made from PE film with either a full adhesive backing or strip adhesive backing.

Packing list envelopes can be used with documents such as packing slips, invoices, warranty information, operating instructions, wiring diagrams, manifest logs and more. With strong adhesive backing these clear packaging list envelopes stick to cardboard, plastic, wood, glass, and metal. Customized sizes and features are available as per the demand.

Available Sizes:

- A4 Size 270mm(W) x 210mm(H)
- A6 Size 180mm(W) x 140mm(H)
