

Tamper Evident Bags

Our tamper evident security bags are made from co extruded polythene with an easy to use closure seal that offers tamper evident security against ALL known methods of attack.

It can be either in transparent or opaque. Once the bags are sealed, any unauthorized attempts to break the seal will cause the "OPEN / VOID" hidden message to appear. Micro prints along the sealed edges will also show any attempts to interfere.

High-Tech Polysynthetic closure provides superior protection against solvent tampering, cold tampering and heat tampering

Security edge printing

Easy to write on surface

Co-extrude high strength film, resistance to water, oil and rough handling

ANY DISTORTION, MESSAGE OR WORDINGS APPEARING IN THE TAPE MAY INDICATE TAMPERING - DO NOT OPEN, NOTIFY SENDER IMMEDIATELY -

Matching unique coding systems on tear off receipt, security closure and bag

Strong double sealing systems

Bag are fully recyclable

Solvent Tampering

Cold Tampering

Heat Tampering

The tape will provide a **clear permanent evidence of tampering** from attempts to open the seal with solvent, extremes heat or cold, mechanical peeling or cutting and resealing.

Each bag can be printed in up to 3 colors with a unique sequential number and high resolution bar code for use in track and trace systems with a receipt and multi-lingual instructions.

A minimum order quantity applies for custom made bags.

Tamper evident security bags are recommended for use in high-risk situations such as handling cash, cheques, share certificates and other sensitive items. They are designed for providing the highest possible level of protection and as such are used by the police for safeguarding crime scene evidence and forensic evidence, by the banking, retail and security industry for cash in transits. They are also ideal for anyone wishing to send highly confidential documentation such as legal documents, wills, and contracts.

Security Level Specifications

Security Level	Description	Features
1	Low	Permanent closure
2	Medium	Tamper Evident/Cold resistant
3	High	Tamper Evident/Cold/Heat/ Solvent/Water Resistant
